THE NOVEL

COLLECTION FALL 2021

Paying Homage to the Artistic Journey of

JUS10H
by Justin Haynes

New York, New York, September 14th, 2021, 8:00 pm EST: The International Fashion Designer/Tailor Justin Haynes will again make his place known in the fashion industry. His signature line of meticulously selected vibrant tones, colors, and elegant patchwork with a classic vibe has graced fashion runways worldwide, such as NYFW, Miami Fashion Week, LAFW, Milan Fashion Week, Paris Fashion Week, Dubai Fashion Week, and more!

The NOVEL collection is the 2021 Fall Collection by Official Designer on the CFDA (Council Of Fashion Designers of America) Digital platform Runway360, Jus10H. The collection will pay homage to the artistic journey and story of JUS10H through green, black, white, denim, brown, and a hint of titanium. A color theme; that will bring the audience through fashionable milestones of ambition, growth, and accomplishments.

Get ready for the story that will change how you view fashion and its meaningful purpose over an individual's life. If life is art in its purest form, it's fair to say that Justin Haynes has taken apart his canvas and shared pieces of it in every garment he touches.

The Novel collection will stream live on "Runway360.CFDA.com" during NYFW and. Show will be produced by Andrew Maxwell.
